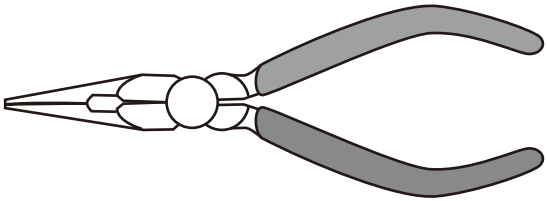
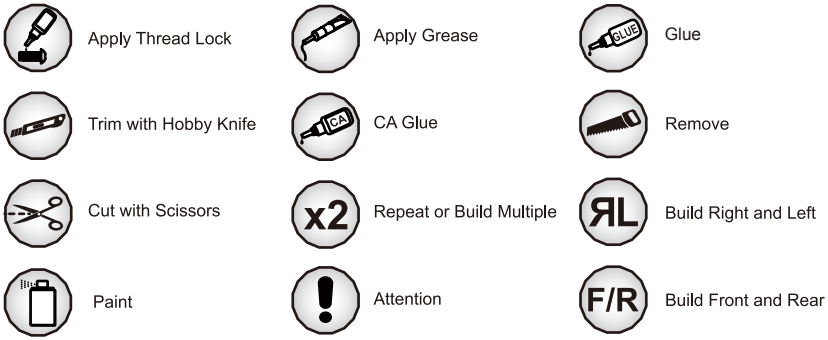
Hobby Knife



Long Nose Pliers

Instruction Manual Symbols Key



Tips for Assembly

Use good quality hex drivers to avoid stripping screw heads.

Open kit bags in order of assembly steps.

Use “Step” index for quantity and size of hardware to be used for assembly step.

Do not overtighten screws.

Use thread lock sparingly.

We recommend using Foam Safe CA glue or a plastic solvent glue.

Warranty

RC4WD non-electrical products are warranted to be free of defects in materials and workmanship when new. Our limited warranty does not coverdamages due to normal wear and tear, user error of assembly or installation, user modifications, user's failure to perform routine maintenance, addition of aftermarket parts or option parts. This warranty lasts 30 days after arrival for original purchaser. In the event of a defect under this warranty, RC4WD will, at our discretion, replace the product, provided our inspection indicates that an original defect exists. RC4WD reserves the right to replace any product which is no longer available with a product of comparable value and function. If RC4WD determines the repair is not covered under warranty guidelines, we will contact you to discuss your options. If you have any questions, please contact us via email at support@rc4wd.com.

RC4WD warranties its electronics for 30 days from date of arrival. This covers all electrical items except items that are already noted on the individual product page.
