TRAIL FINDER 2 BLAZER RUST BUCKET EDITION

DRIVETRAIN

The R3 Single Speed Transmission comes with a tough cast metal case and wider gears to allow for more abuse along with a Delrin Spur with Slipper Clutch. It also features a sturdy billet aluminum motor mount for durability.

The Trail Finder 2 RTR includes the Hammer Transfer Case. Packed with scale detail, the case features a cast metal exterior and heavy duty .8 Mod Widened Gears for durability.

Drawing on the success of the RC4WD MOA Gear Sets, the Trail Finder 2 RTR Drivetrain has the most durable gears RC4WD has to offer, capable of staying on the trail day after day.

The most scale accurate axles on the market, the K44 Ultimate Scale Cast Axles feature high steer knuckles, lower mounting points and compact offset pumpkins.

The Driveshafts for the Trail Finder 2 RTR are a design featuring heavy duty uni-joint metal shaft for great driveline angles and durability on the trail.

TRAIL FINDER 2 BLAZER

RUST BUCKET EDITION

The Trail Finder 2 RTR Chassis features a molded fuel cell that doubles as an electronics storage box plus an aluminum, frame-mounted under cab electronics tray for multiple electronics mounting options. Also includes a sturdy battery tray with strap mounts.

SUSPENSION

The Trail Finder 2 RTR includes Superlift Superide 80mm Scale Shock Absorbers. These ultimate scale shock absorbers offer realistic looks and the ultimate in performance. They are machined from billet aluminum with internal springs and are rebuildable.

The Trail Finder 2 RTR Chassis is a machined billet aluminum ladder frame design with leaf springs, scale shock hoops, chassis servo mounts and hard body mounts.

This truck includes a set of RC4WD Mickey Thompson Classic Lock 1.9" Internal Beadlock Wheels. These are machined from billet aluminum with a beautiful silver finish. Each wheel face showcases the Mickey Thompson logo to increase its scale realism.

Every Trail Finder 2 RTR needs a tough set of rock grabbing tires and the included RC4WD Mickey Thompson 1.9” Baja Claw 4.19” Scale Tires deliver the perfect amount of traction with its advanced X2 soft & sticky compound. The scale details complete the look in just the right size.

RUST BUCKET EDITION

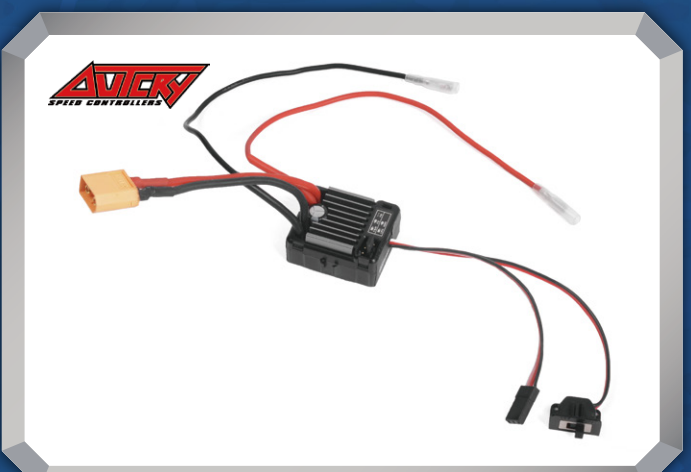

ELECTRONICS

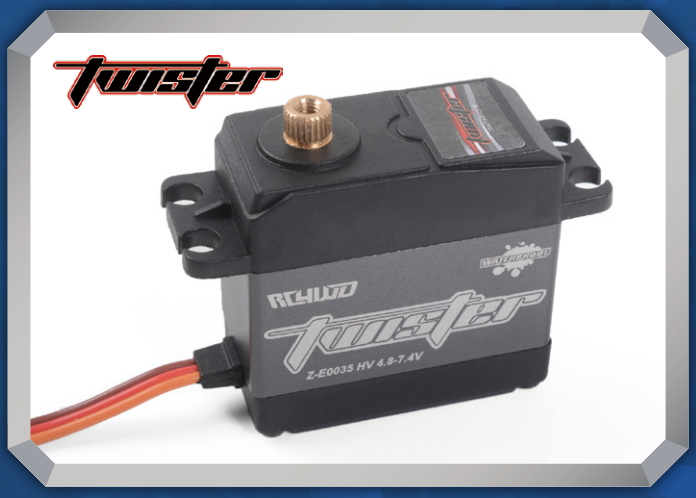

The Trail Finder 2 Chassis includes a high quality XR3 3 Channel 2.4Ghz Radio System. Expanding user experience, this radio system comes with a total of three radio positions!

The Trail Finder 2 Chassis is powered by the tough and durable RC4WD 45 Turn Crawler Motor. With long lasting performance at its core, this power machine comes tuned for rock climbing and scale driving.

The popular RC4WD Outcry III Waterproof ESC Brushed Speed Controller with built-in drag brake is included for reliable, constant power on demand at any time.

With a massive 277.6oz@6V of torque and a full metal geared drivetrain, the RC4WD Twister Metal Gear Digital Servo has the power and performance needed to outmaneuver and overcome tough terrain.

It's ALL in the box! Everything you need is provided to get you on the trails today!

TRAIL FINDER 2 BLAZER RUST BUCKET EDITION

This Trail Finder 2 RTR comes with a unique, custom painted Chevrolet Blazer Hard Body. The Blazer body features an awesome assortment of scale details including mirrors, door handles and grill to look like its full size counterpart.

ALL-S

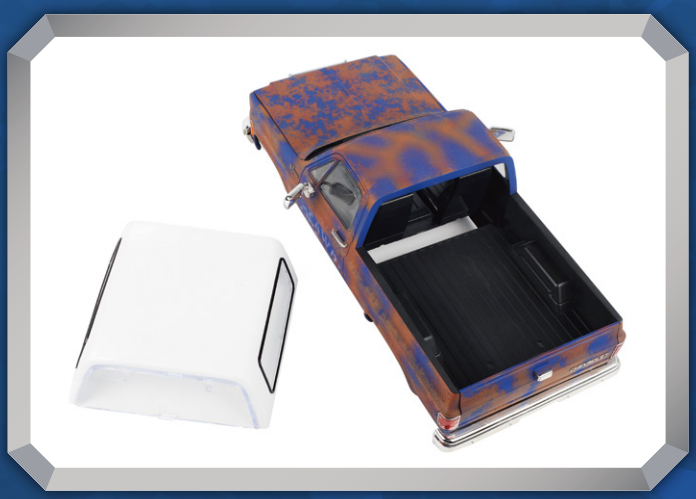

THE DET

The unmistakable line of a classic, this Chevrolet Blazer Body is an exact replica of the full scale vehicle. No other scale body comes this close to realism.

The Rust Bucket Edition Blazer comes in durable hard plastic and features a custom painted body to resemble a weathered rust effect. To add to the overall look, a custom weathered RC4WD Off-Road Customs design is applied to both doors.

The Chevrolet Blazer Body Set includes a dismountable roof. You can now change the style by mounting or dismounting the roof, adjusting to your own preference!

The crisp lines and bold details are all captured. Chrome plated parts are included as well as colored lenses for all signal lights. All lamps can be illuminated with minimum modifications.
